Dear David,

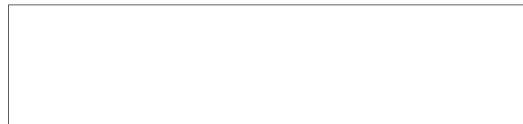

I'm pleased to know [] is doing such a fine job. Your endorsement of his extension request was appreciated and used by our assignments panel when it recently met to consider applicants for the position of CIA Representative to CINCPAC.

I concurred, though, with the Panel's recommendation to replace [] at the conclusion of [] current two-year tour. The DI has a general policy of not granting extensions and has a need for [] experience back at Headquarters at the end of his tour.

We feel certain [] will be an outstanding replacement. He is a senior officer with a Ph.D. in political science, outstanding current intelligence background, direct involvement in liaison work from numerous perspectives, close working relations with DIA, and previous DI rep experience.

I look forward to seeing you on one of your future trips to Washington.

Sincerely,

Richard J. Kerr
Deputy Director for Intelligence

Dear Dick,

This letter is to request that you grant [] your Agency's current representative at Headquarters USCINCPAC, a third year in his position.

STAT

We believe an extension of [] tour would further enhance the close working relationship he has developed within the Command, and in particular with those of us striving to give Admiral Hays the best intelligence support possible. I enthusiastically endorse his staying on and would appreciate your support for his reappointment.

Let me also offer my belated congratulations on your appointment as Deputy Director for Intelligence. I enjoyed meeting with you last year at this time and hope to get to see you on one of my future visits to Washington.

Very respectfully,
